

Harmon AutoGlass Earns Esteemed 2013 Angie's List Super Service Award

Award reflects company's consistently high level of customer service

Harmon AutoGlass has earned the service industry's coveted Angie's List Super Service Award, reflecting an exemplary year of service provided to members of the consumer review service in 2013.

Angie's List Super Service Award 2013 winners have met strict eligibility requirements, which include an "A" rating in overall grade, recent grade, and review period grade; the company must be in good standing with Angie's List, have a fully complete profile, pass a background check and abide by Angie's List operational guidelines.

"We were thrilled to receive the news that Harmon's commitment to outstanding service had been recognized by Angie's List. We value this achievement particularly because it reflects our top priority, our customers. Since 1949, the primary goal of Harmon AutoGlass has been to provide 100% customer satisfaction, and that goal continues today. We thank you, our customers, for the opportunity to provide quality workmanship and customer service in 2013, and we look forward to doing the same in 2014 and for years to come."
